February, 2012

On August 26, 2011, I posted a letter to the Tribunal's community of stakeholders, inviting issues and recommendations in relation to a broad review of the Tribunal's policies, procedures and practices.

To those who took the time to respond with your thoughts and suggestions, thank you!

The Tribunal has submitted a set of objectives and strategies in key areas of its operations to the Ministry of Attorney General.

That document is now posted for your information and interest. It is not intended to be exhaustive or limited. Your further comments and recommendations are invited and welcome.

I intend to solicit further targeted feedback as specific aspects of the work are brought forward.

In terms of pacing, bear in mind we are undertaking this work in the face of heavy workloads with no additional resources. Your patience and forbearance are therefore appreciated. Nevertheless, changes will progress.

I look forward to your comments and would be pleased to engage in more direct conversations or discussions with you.

Best Wishes.

Bernd Walter
Chair
