## **RESPONSE FROM BC HUMAN RIGHTS TRIBUNAL**

The Tribunal's response will include the **search date** and findings – either **no active complaint or active complaint(s)** Any active complaint will list – **date complaint filed, ground of complaint and status of complaint** 

A search reports only on active complaints entered into the BC Human Rights Tribunal's electronic case management system [DRS]. While new complaints filed online are automatically entered into DRS, some complaints filed by way of a PDF or printed version of the form do not get entered into DRS for a number of weeks. The Tribunal does not report on enforcement of its orders, which occurs in the B.C. Supreme Court. If you have any questions, please contact the Registrar.
